Five that Mattered

Metafundamentals

Curiosity

PRE LAUNCH

- Take a journey of discovery in a place where the world revolves around you.

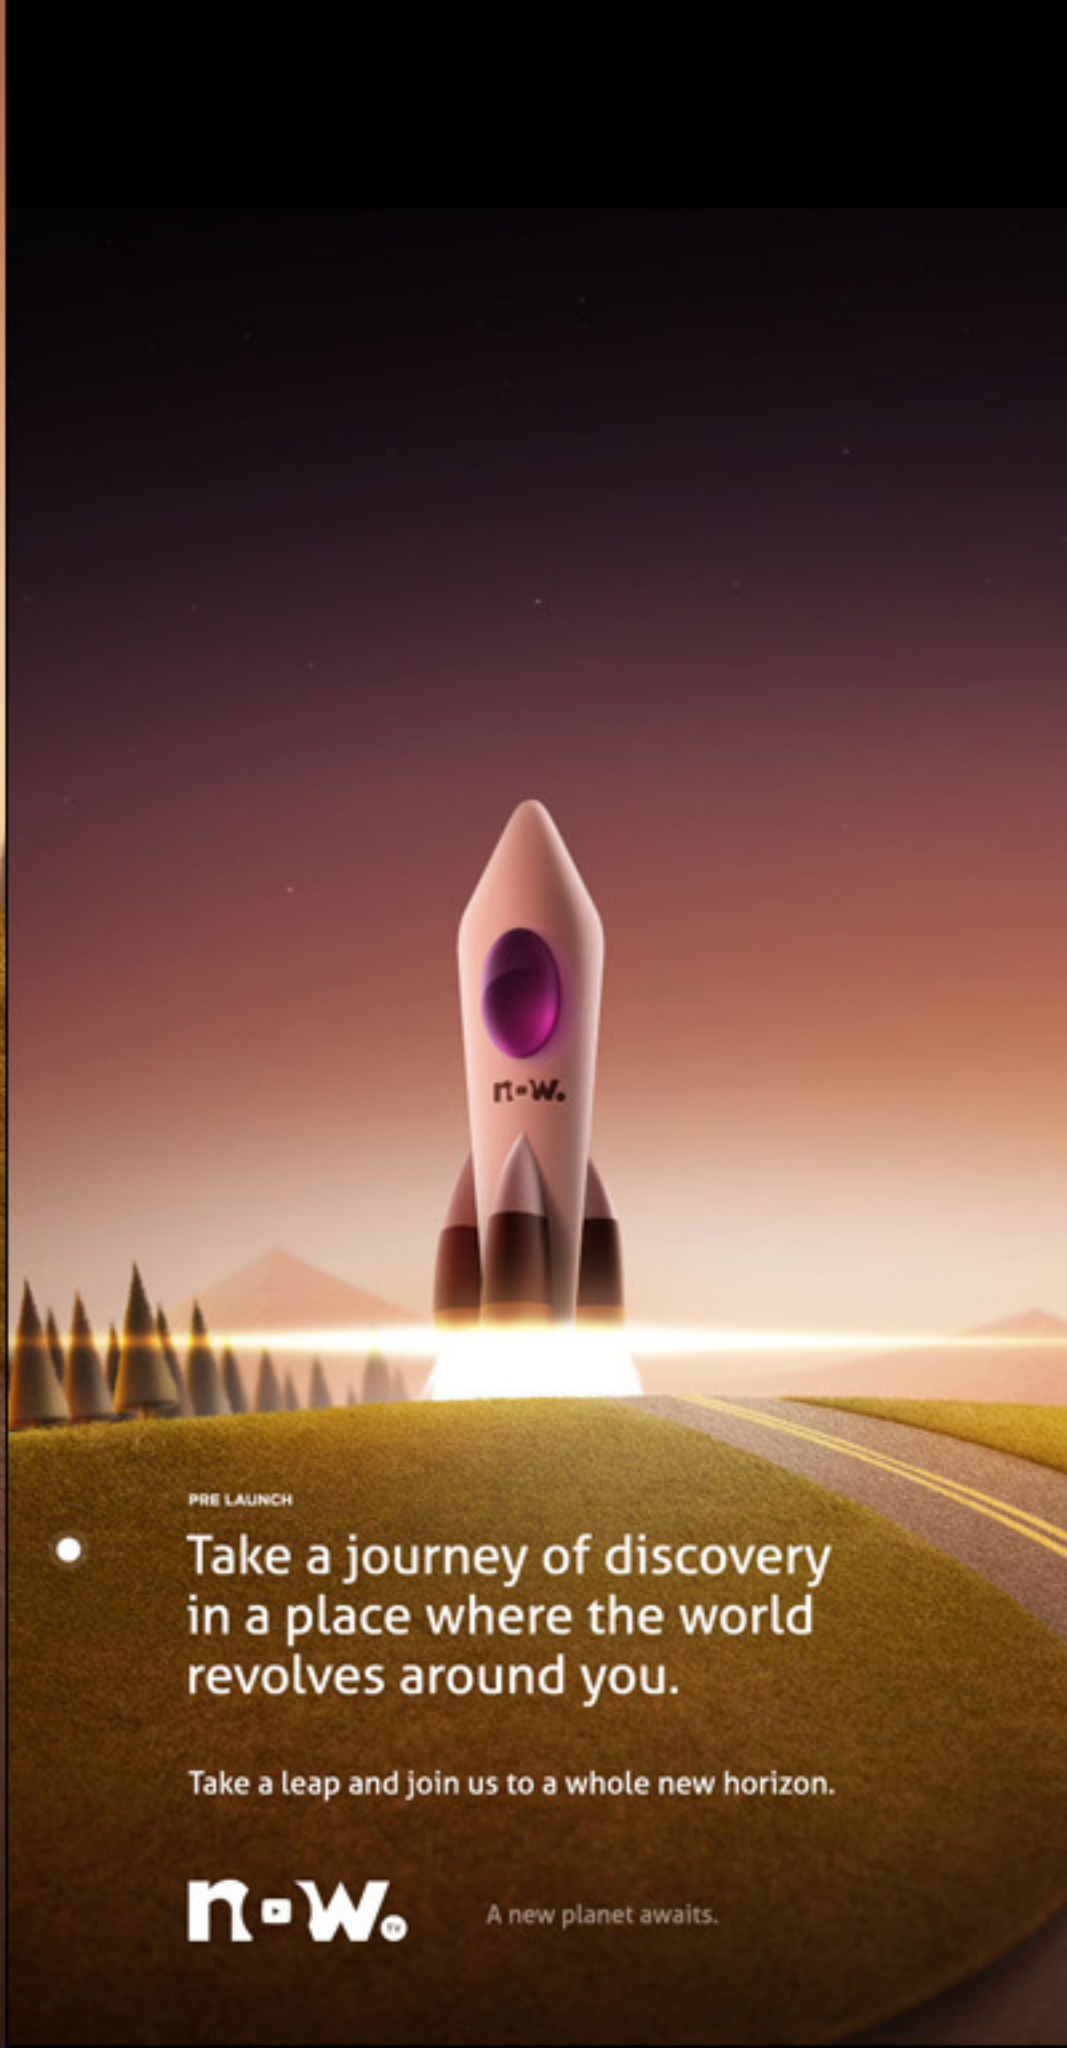

Take a leap and join us to a whole new horizon.

n-w.

A new planet awaits.

Embrace it.

PRE LAUNCH

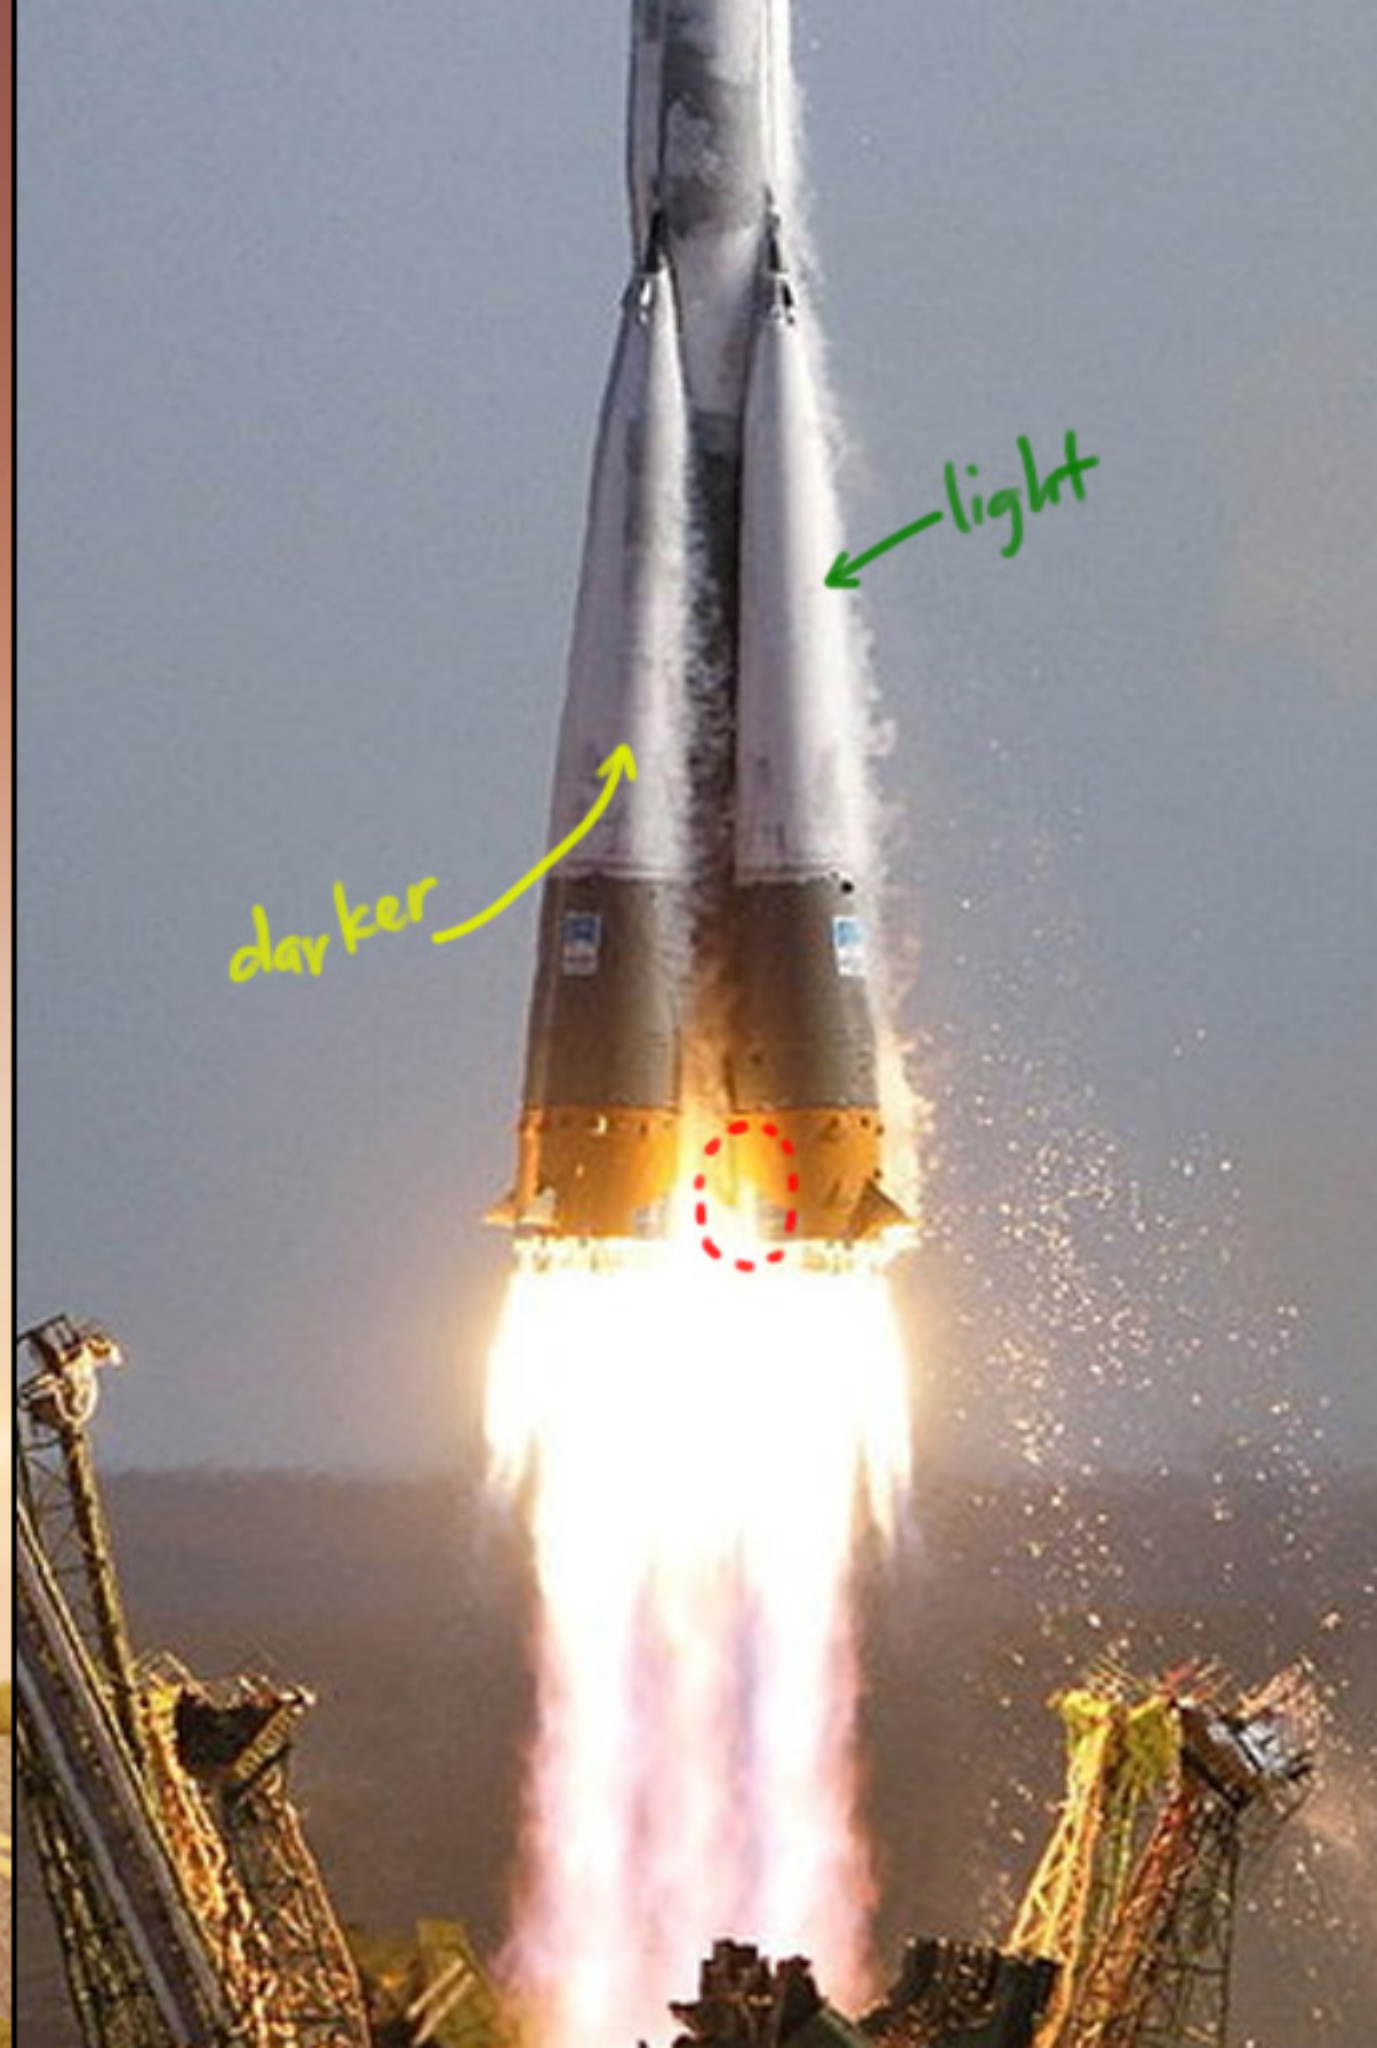

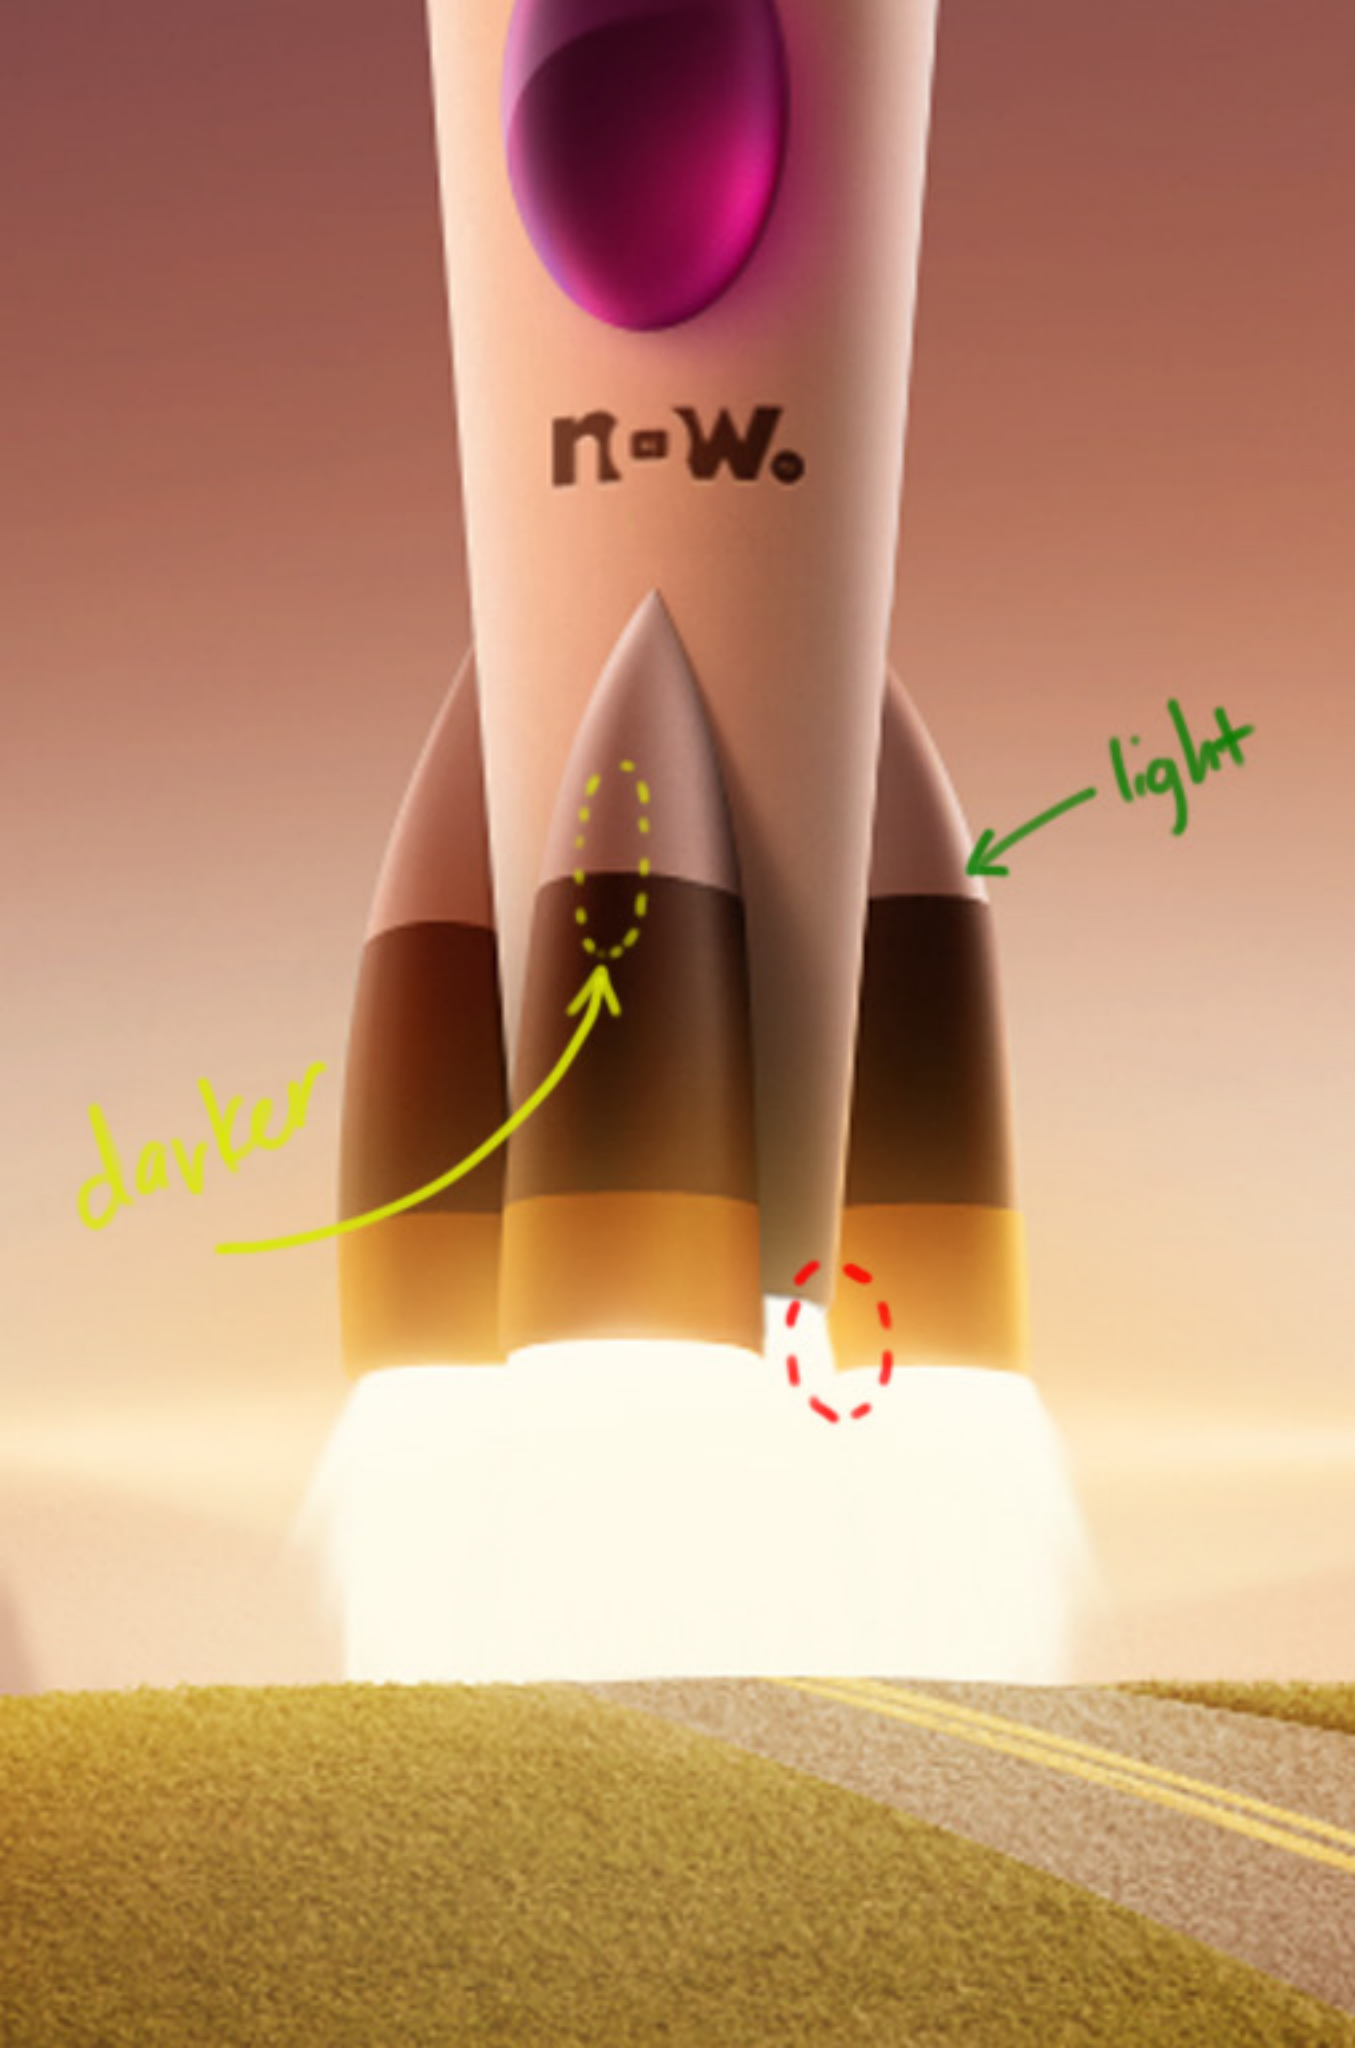

- Take a journey of discovery in a place where the world revolves around you.

Take a leap and join us to a whole new horizon.

n-w.

A new planet awaits.

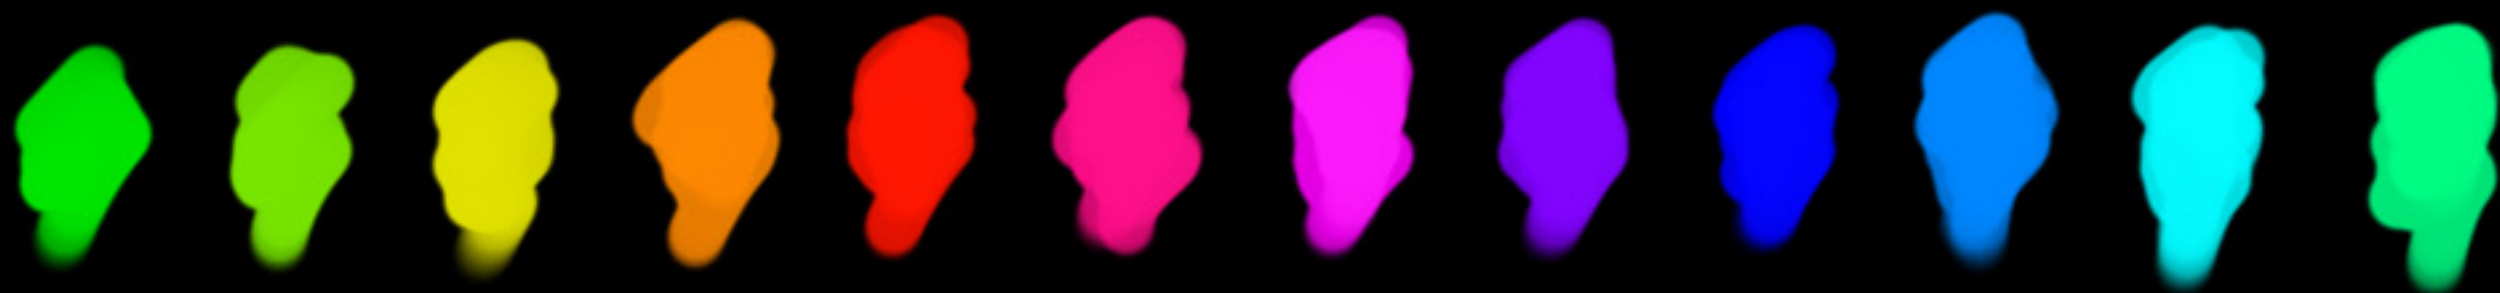

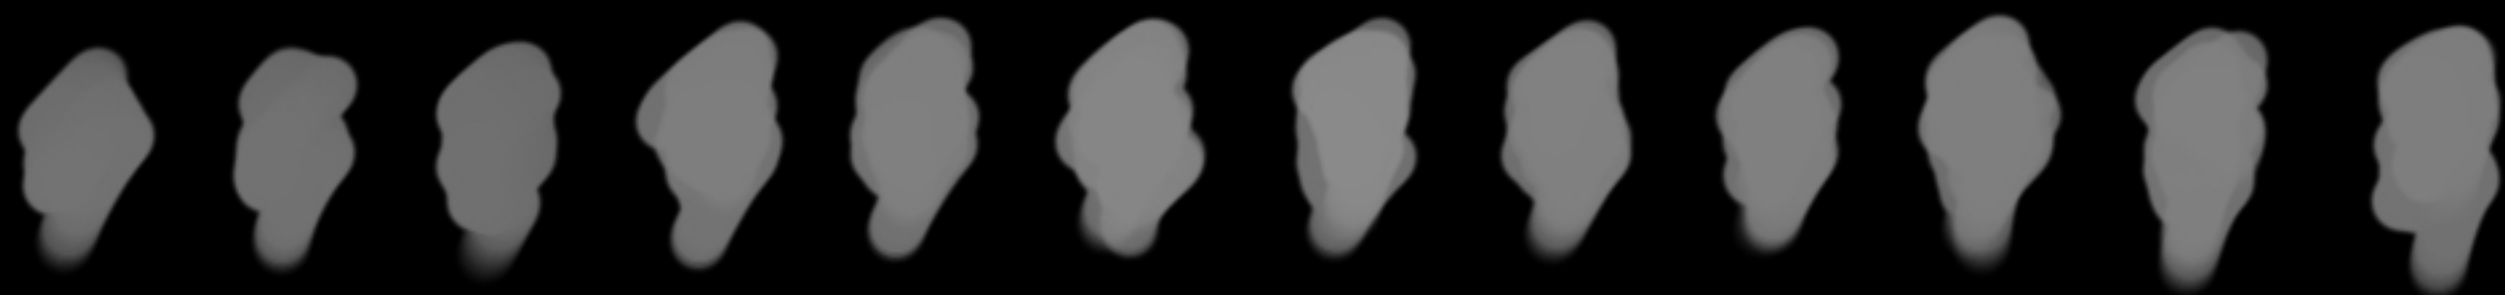

*Curiosity makes you a
keen observer.*

Respect

Give value to values.

Original

Value only, no color

Color only, no value

B/W version

BLENDING MODES

- * COLOR
- * MULTIPLY
- * SOFTLIGHT

*Value does all the work,
color gets all the credit.*

Patience

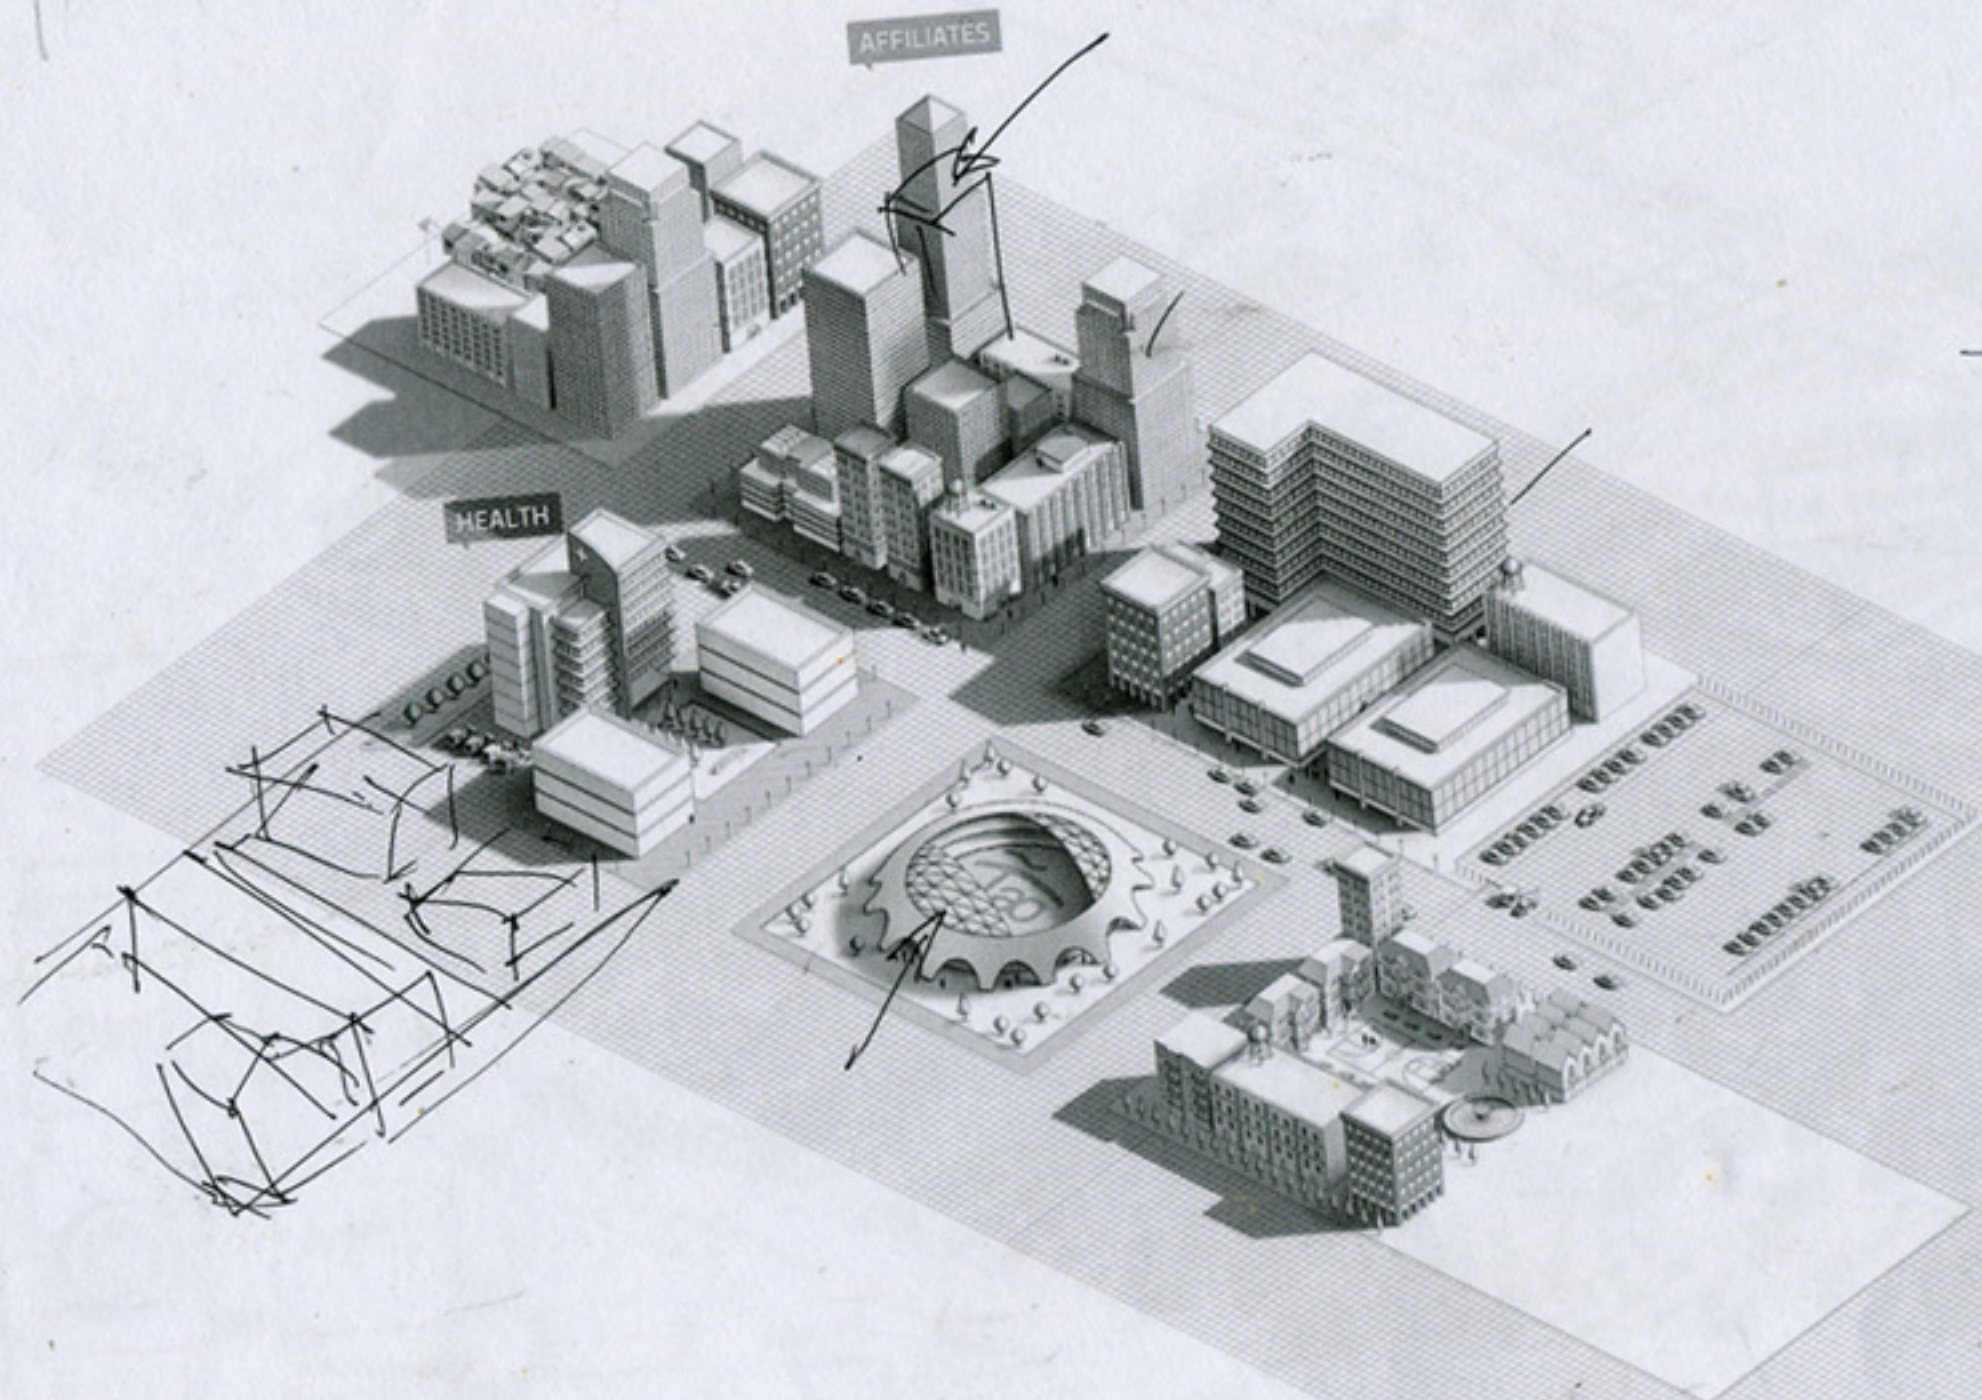

*“Good things come
to those who wait.”*

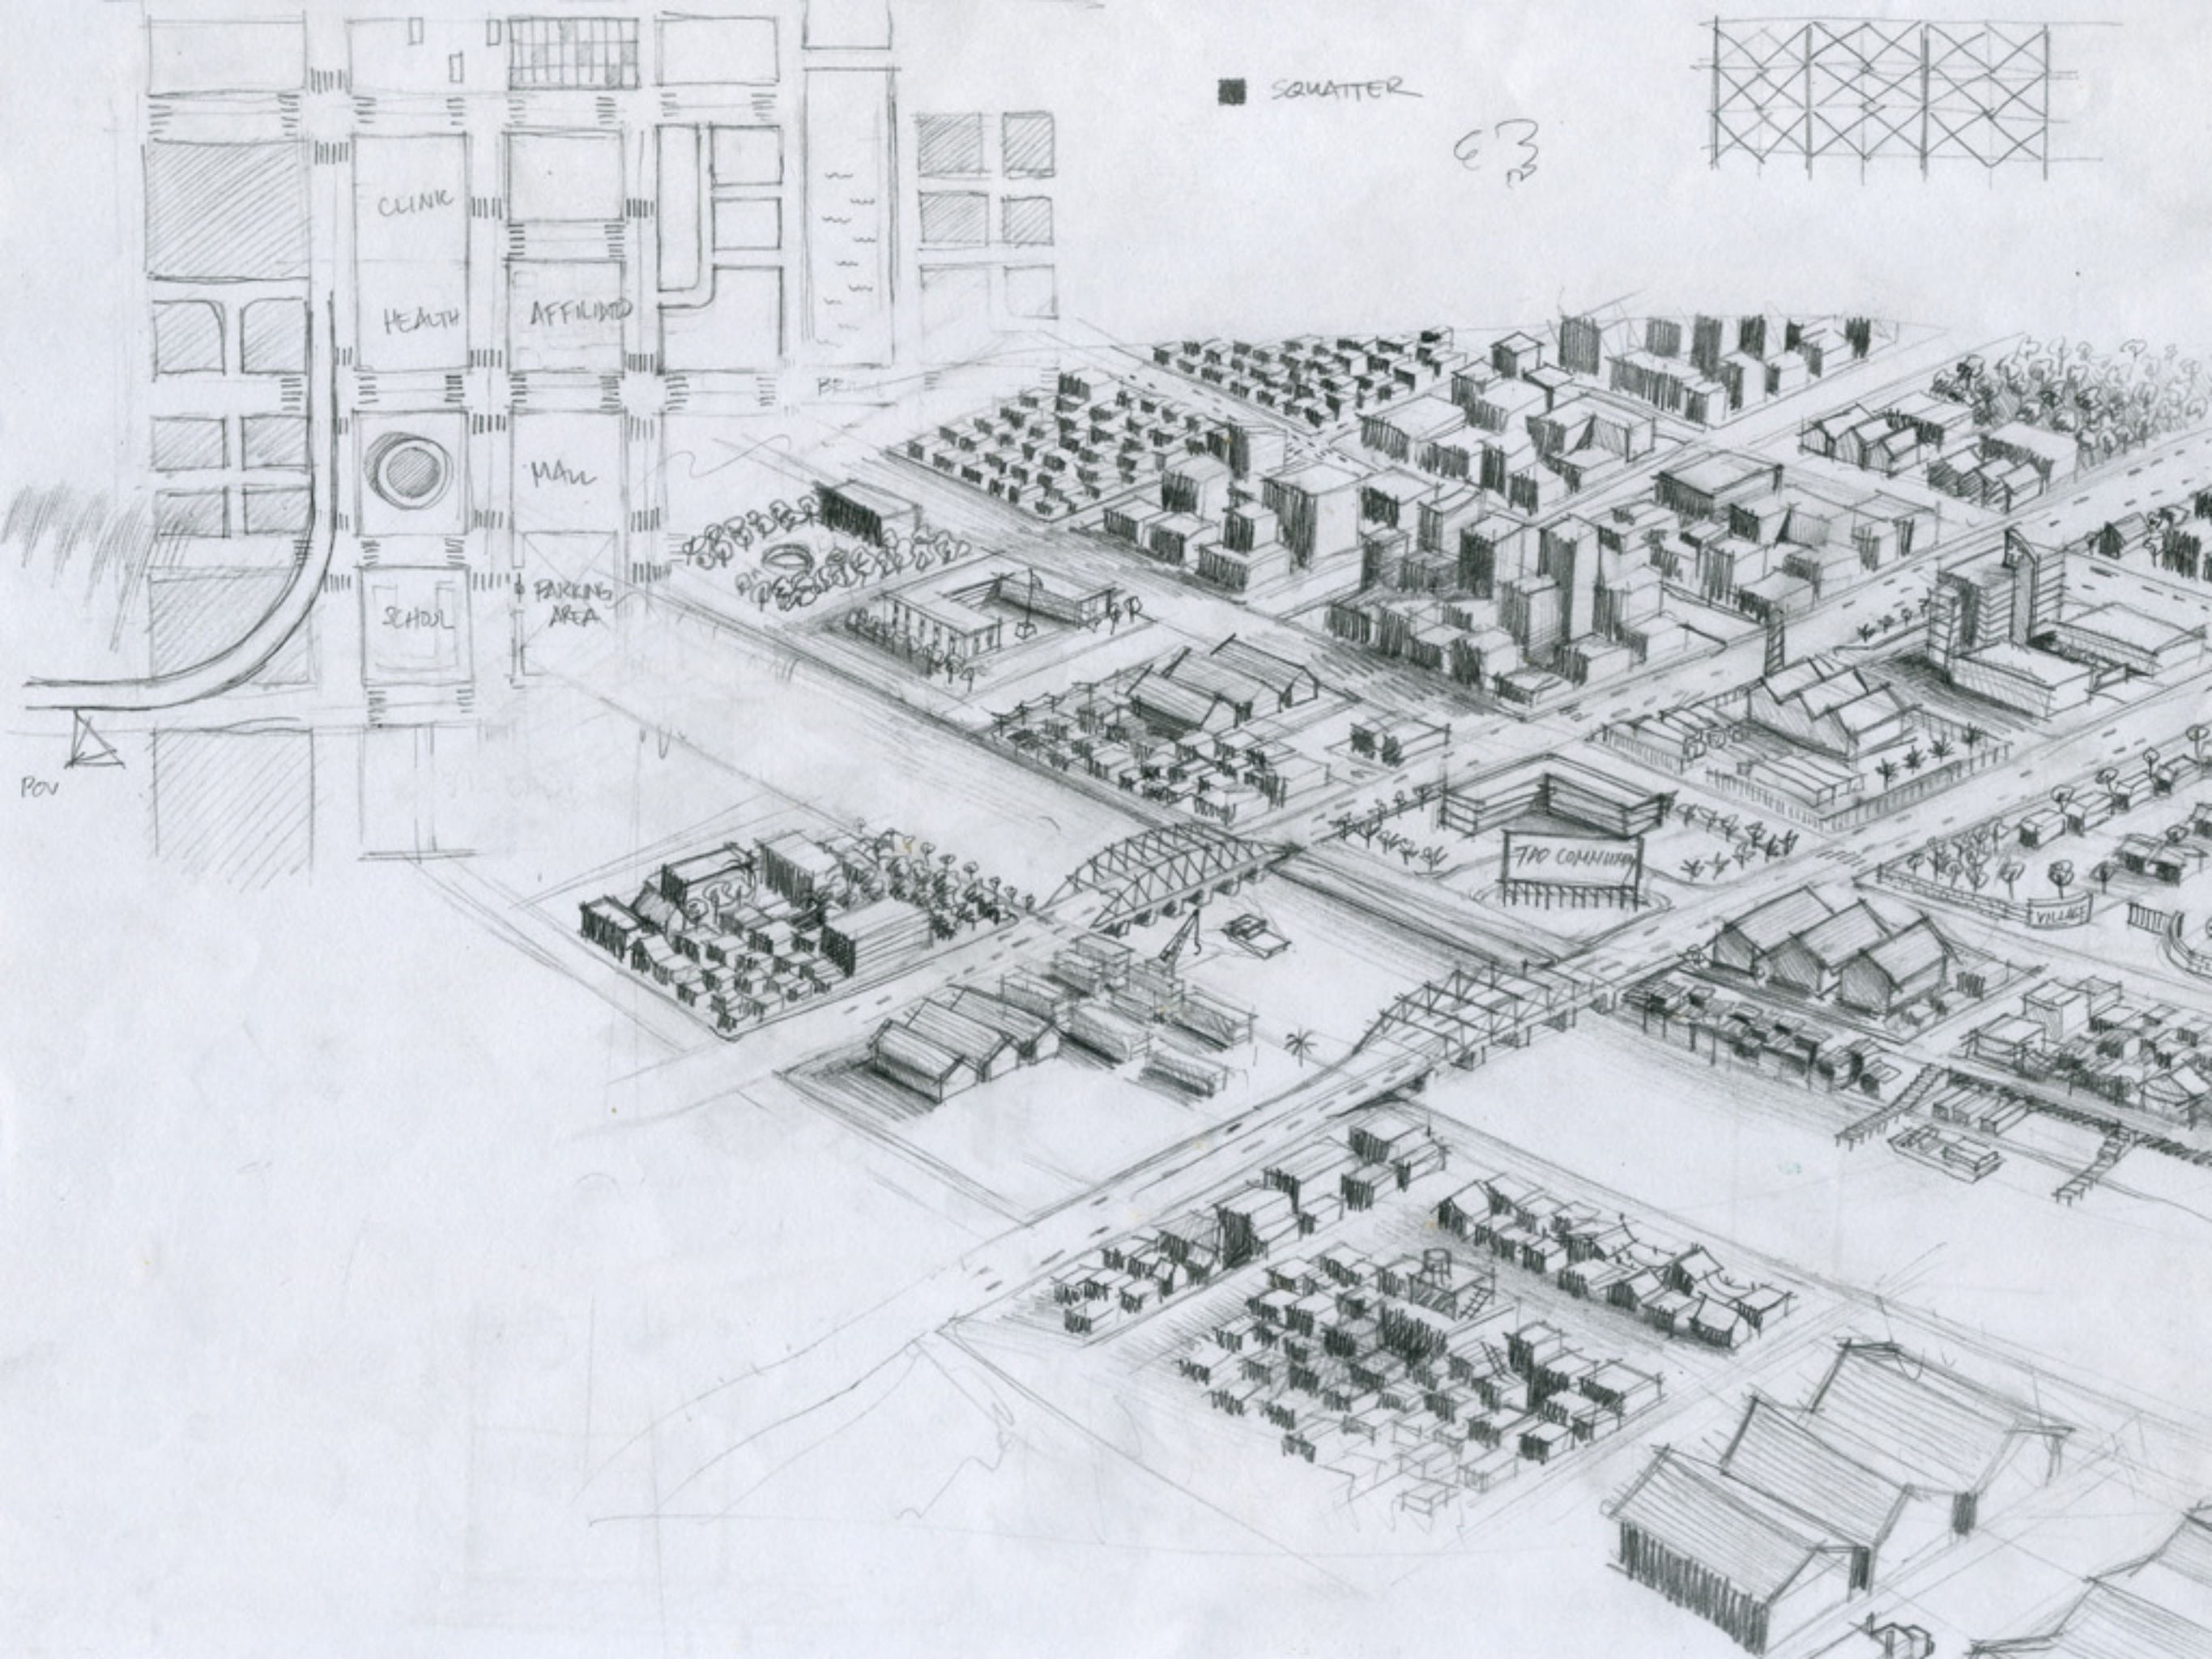

Honesty

*The more honest your work shows,
the more it is likely to be accepted.*

Love

Love is a fuel that drives
imagination
innovation
excitement
wonder

All I'm saying is, techniques are good, algorithms, styles, and what not. But if you don't understand these metafundamentals, you won't get far. If you want to keep at pace with greatness, you need to understand your attitudes toward work and welcome life's virtues in whatever you do.

#minifc

L'essentiel est invisible pour les yeux.
